

Candymeal

Description: A blend of candy (e.g. chocolate, sugars, granolas, etc.), bakery (cereals, breads, pastries, cookies, etc.), and other food byproducts (chips, pasta, etc.) and grain by-products. A finished product that is high in energy and fat, and can act as a corn/cottonseed/molasses replacement ingredient. A consistent product that has been proven to produce excellent results in beef cattle, dairy cows, and swine.*
